

FCCLA Planning Process Summary Page

IDENTIFY CONCERNS

- Creating a project that meets the requirements of the Digital Stories Online STAR Event competition
- Developing a digital story that addresses the annual topic relative to the community

SET A GOAL

- Create a digital story that addresses finding balance between technology and human connections.

FORM A PLAN (WHO, WHAT, WHEN, WHERE, HOW, COST, RESOURCES, AND EVALUATION)

- Who: Allisson Palma-Umana and Amy Vu
- What: Create a digital story that addresses the annual topic
- When: October 2025-February 2026
- Where: Oglethorpe County High School
- Why: To learn about developing a digital story relating to finding balance in a digital world with our community
- How:
 1. Research different aspects of technology and how they affect our social lives
 2. Create a story that addresses the annual topic
 3. Film the digital story
 4. Edit raw footage, balance audio, and apply effects
 5. Post to YouTube, and our Chapter's website
- Resources: iPhone, iMovie editing

ACT

1. Attend chapter meetings
2. Research how social media affects youths and their relationships
3. Develop a script for the digital story
4. Film scenes during our STAR Event meeting times
5. Edit raw footage, balance audio, and apply effects to the digital story
6. Receive feedback from our advisor and students in FACS classes
7. Reshoot and re-edit
8. Upload the digital story to YouTube and post it on our Chapter's website

FOLLOW UP

- A rough draft of the digital story will be evaluated by students in FACS courses
- Scores and feedback from the Online STAR Event will be used to develop our oral presentation
